

Notified body No. 0761

Certificate of constancy of performance

0761 – CPR – 0169

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Product Regulation or CPR), this certificate applies to the construction product

**Intumescent material
with the trade name 'ROKU® Strip'**

produced by or for

**Rolf Kuhn GmbH
Jägersgrund 10
57339 Erndtebrück
Germany**

in the manufacturing plant

Factory 11.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in the European Technical Assessment

ETA-10/0117 of 03.06.2015

under system AVCP 1 are applied and that

the product fulfils all the prescribed requirements set out above.

The product 'ROKU® Strip' is a flexible material produced in form of mats. It can contribute to maintain the resistance to fire when applied with construction products, construction elements, kits and/or in structures.

This certificate has first been issued on 2011-01-12. It will remain valid till 2020-07-19, provided the ETA remains valid and the manufacturing conditions in the plant or the factory production control itself are not modified significantly, unless suspended or withdrawn by the product certification body.
